

**2023 - 2024 VOLUSIA COUNTY FARM BUREAU
EDUCATION MINI-GRANT APPLICATION**

The Volusia County Farm Bureau is pleased to again offer mini-grants to Volusia County educators (grades pre-K through 12). Each grant is up to \$250 and can be used to purchase materials and supplies for agricultural science instruction. Farm Bureau believes it is important to engage students with hands-on lessons so they can become excited about what they are learning. Because funding is limited, applications focusing on the science of food, fiber or foliage will be given a higher ranking. **GRANT RECIPIENTS AGREE TO SUBMIT A WRITTEN REPORT WITH PHOTOGRAPHS OF THE MINI GRANT PROJECT UPON ITS COMPLETION NO LATER THAN MAY 31, 2024. A completion report is vital to the continuation of the mini-grant project. Submitted photos may be published and submission serves as permission to publish photos containing students.**

PLEASE EMAIL THE COMPLETED APPLICATION BY SEPTEMBER 30, 2023
